

The Adventures of Nacho and Fluffy

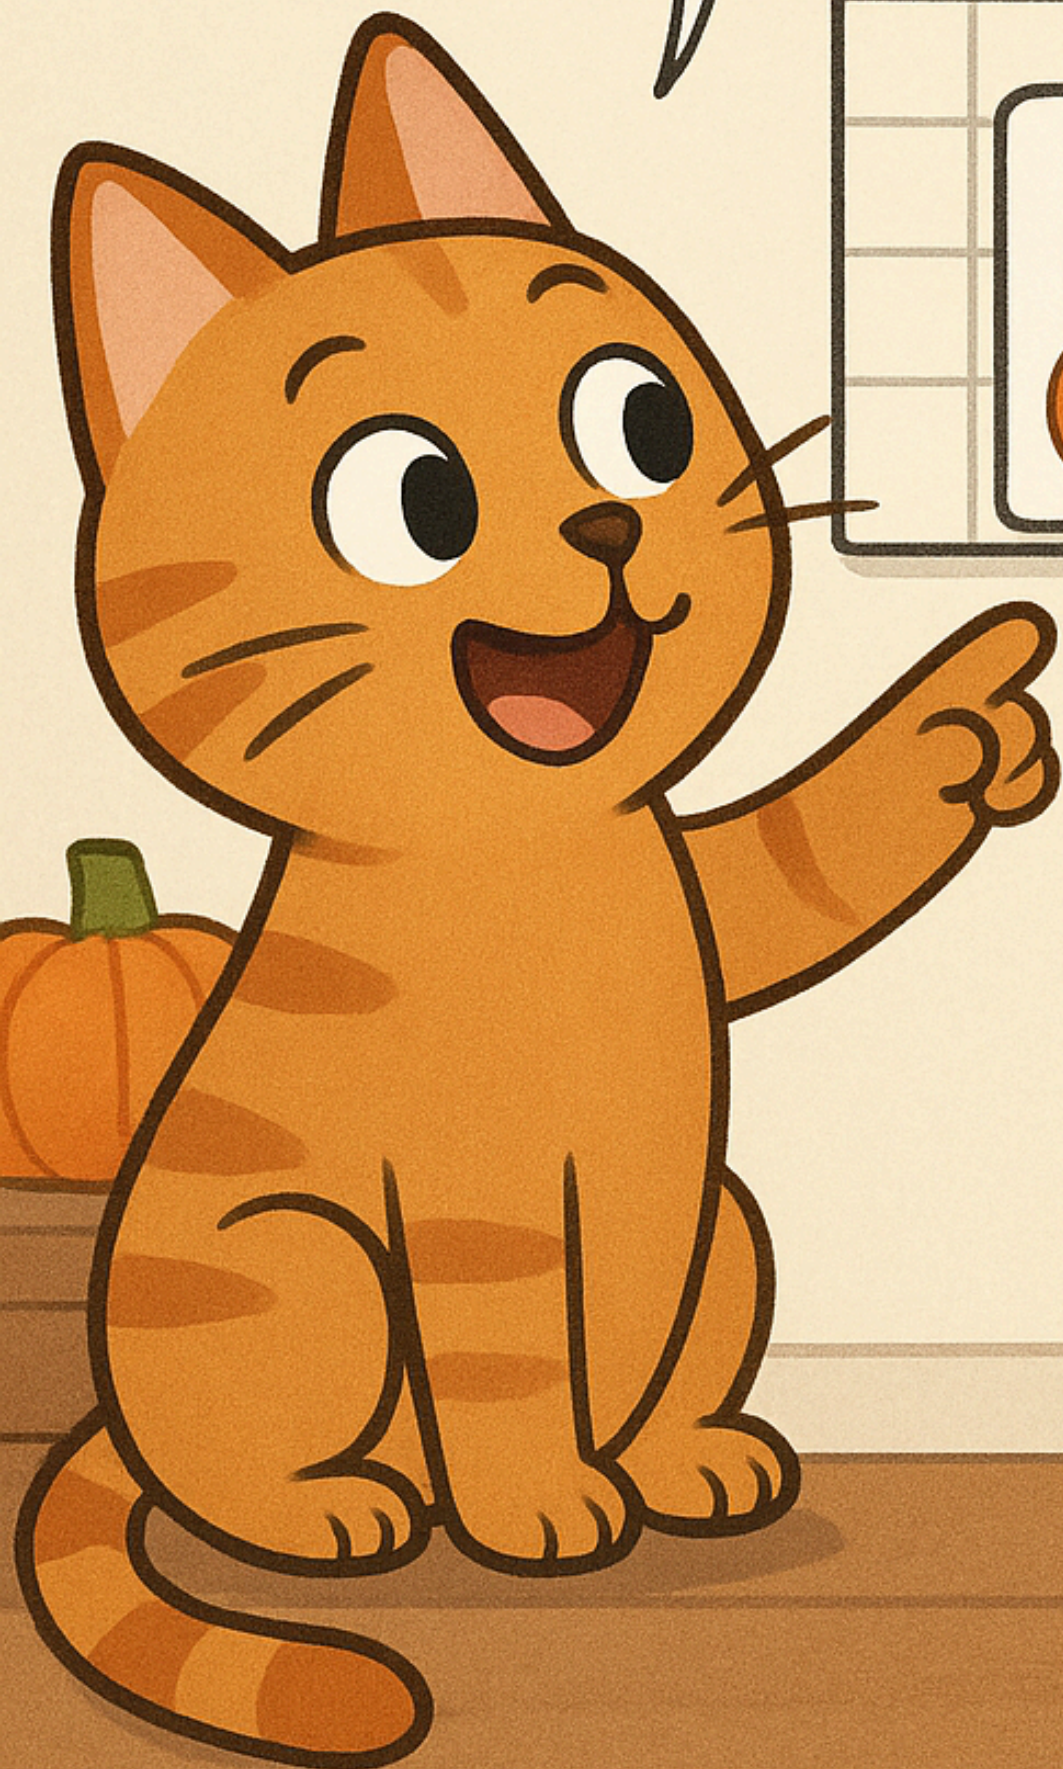

Nacho and Fluffy Go Trick-or-Treating

Nacho and Fluffy looked
at the calendar.

It's Halloween
today, Fluffy!

Yes! Let's go
trick-or-
treating.

Nacho put on a pumpkin costume.
Fluffy put on a witch hat and cape.

Do you think
we look
spooky Fluffy?

Yes, we
look cute and
spooky!

Nacho and Fluffy were very excited! They picked up their baskets, and ran to the door.

I will get
chocolate!

I will get
a lot of candy!

Outside, the street was full of children wearing costumes. Some were dressed as ghosts. Some were dressed as skeletons.

Wow! Look at their costumes!

They look scary, but fun!

They saw their friend dressed as a bat.

"I'm a flying bat!" said their friend.

Fluffy flapped her cape and laughed.

Knock, knock! They knocked on the door.

"Trick or treat!" said Nacho and Fluffy. A kind witch gave them candy.

"Thank you!" they both said.

Trick or
treat!

Wow, your
costumes are
so spooky!

At the next house, they saw pumpkins. The jack-o'-lanterns had glowing faces.

They are smiling at us.

They are pumpkin lanterns!

They walked past a spooky tree. Nacho felt scared.

Look out! What is next to you Fluffy?

Dont worry Nacho!
It's just a tree!

**Their baskets were heavy
with candy.**

**I have
lollipops and
cookies!**

**I have
chocolates
and sweets!**

Nacho and Fluffy smiled happily as they walked home.

**This is the
best Halloween
ever!**

**Yes, it is!
I can't wait for
next year!**
